

As CEO of G3 Agency and Execumé, Gayle Oliver offers more than 17 years of unique experience in Executive Search and Consulting. Having conducted a myriad of successful searches and thousands of individual consulting sessions, Oliver’s expertise in analyzing clients’ requirements, and delivering results as promised, is well documented. Oliver has worked with a diverse range of organizations in all types of industry segments with a specialty for servicing high-growth, entrepreneurial-style organizations. Her client portfolio includes public and private firms, both Fortune 500 and global entities as well as start-up companies. The scope of search assignments has ranged from C-level and mid-level managers to specialized individual contributors. Market sectors have included: *finance/accounting, technology, communications, engineering, energy, manufacturing, and business services.*
